National Pollution Discharge Elimination System (NPDES) Permit Renewal Renewal Applications Pending for Administratively Extended Permits

	June '99	July	Aug	Sept	Oct	Nov	Dec	Jan '00	Feb	Mar	Apr	May	Totals
Application On File/Permit Expired	1	1	6	0	4	1	0						13
Permits Currently On Public Noticed	17	10	2	1	0	0	1						44
Permits Issued	20	5	6	10	1	0	2						
Renewals Pending	117	113	113	103	106	107	105						

Note: The backlog of administratively extended NPDES permit applications, those for which a renewal application was submitted in a timely manner (prior to the expiration of the permit), has been reduced from approximately 673 in January of 1998, to 117 by June 30, 1999. This chart is a subset of the "Permit Renewals Pending" chart on the previous page.
